

Before and After School Care

Families who need child care before or after school are invited to use this program. Children are cared for by a qualified Time to Grow teacher in one of the early childhood classrooms.

Toys, books, art supplies, and music are available throughout the session. The teacher may also schedule time in the gymnasium or take children outside to the playground.

A complete breakfast is served at 8:30 a.m. through the District 112 food service each morning.
