

Preschool

Child must be 36 months by September 1st
Child must be fully toilet trained
18 students with a 1:9 teacher:student ratio

Preschool Curriculum:

The preschool curriculum at St. John's allows our students to develop strong social and personal skills that will stay with them a lifetime. Our play-based philosophy includes hands-on learning experiences in emergent literacy, science and math. We provide a schedule that includes both teacher and child directed activities. We also nurture physical health and encourage creativity through music and art.

Preschool Daily Schedule:

- Story Time
- Art Exploration
- Jesus Time & Chapel Center
- Library
- Lunch
- Gym Time (large motor)
- Circle Time (Teacher Directed Learning)
- Music and Movement
- Free Play
- Center Time (puzzles, blocks, dramatic play)
- Snacks (morning and afternoon)
- Outdoor Play

Our Beliefs:

As commanded in Matthew 28, we believe in spreading the Gospel message that Jesus our Savior loves us, has forgiven our sins, and desires us to spend eternity with Him in heaven. To that end we support spiritual growth through the reading of Bible stories, teaching Bible truths, and providing opportunities for praise, worship, and prayer.

St. John's Facility:

The bright, well-equipped classrooms, located on ground level, are spacious and filled with natural light. We have a full sized gymnasium along with a large collection of equipment to encourage large motor skill development. The new outdoor playground is fully-fenced, and located just outside our doors. We are also blessed to have an extensive library and a newly upgraded technology lab. Our facility remains locked throughout the day.
